Requests for disbursement may be submitted by the Municipality (in substantially the form attached hereto as *Exhibit E*), not more than once per month, in accordance with the procedures set forth by KDHE. Any request for disbursement must be supported by proper invoices and a certificate of the Authorized Municipality Representative to the effect that all representations made in this Loan Agreement remain true as of the date of the request and, based upon that information then available to such person, no adverse developments affecting the financial condition of the Municipality or its ability to complete the Project or to repay the Loan have occurred.

- (c) All other payments of whatever nature which the Municipality has agreed to pay or assume hereunder.

Section 2.07. Financial Integrity Assurance Contract. In accordance with the powers granted to the Secretary in the Loan Act, the Secretary may require at any time during the term of this Loan Agreement the execution of a FIAC by the Municipality; provided the Secretary shall not make such requirement so long as the Municipality maintains a financial rating on its general obligation bonds or Additional Revenue Obligations of not less than the lowest category of "A" from any Rating Agency. In addition, the Municipality may elect to execute a FIAC prior to the funding of the Loan or at any time during the term of this Loan Agreement. In either instance, the Municipality and the Secretary hereby agree to execute such document in substantially the form attached hereto as *Exhibit I*. The provider of contract services under the FIAC shall be compensated by KDHE from proceeds of the FIAC Origination Fee; the Municipality shall have no further obligation for fees to KDHE under the FIAC. DEDICATED SOURCE OF REVENUES AND LOAN REPAYMENT SCHEDULE

Dedicated Source of Revenue.

The Municipality shall impose and collect such rates, fees and charges for the use and services furnished by or through the System, including all improvements and additions thereto hereafter constructed or acquired by the Municipality as will provide System Revenues sufficient to (a) pay the cost of the operation and maintenance of the System, (b) pay the principal of and interest on the Loan as and when the same become due, (c) pay all other amounts due at any time under the Loan Agreement, and (d) pay the principal of and interest on Additional Revenue Obligations as and when the same become due; provided, however, the pledge of the System Revenues contained herein (i) shall be subject to reasonable expenses of operation and maintenance of the System, and (ii) shall be junior and subordinate in all respects to the pledge of System Revenues to any Additional Revenue Obligations. In the event that the System Revenues are insufficient to meet the obligations under the Loan and the Loan Agreement, the Municipality shall levy ad valorem taxes without limitation as to rate or amount upon all the taxable tangible property, real or personal, within the territorial limits of the Municipality to produce the amounts necessary for the prompt payment of the obligations under the Loan and Loan Agreement.

Loan Repayment Schedule.

The Municipality and KDHE have agreed that interest becoming due semiannually on the Loan during the construction period for the Project may be capitalized and repaid as a part of the Loan. At its option, the Municipality may elect to pay such amounts, and if so elected, must pay such amounts within 30 days of receipt of the notice of their becoming due. If the Municipality does not elect to pay such amounts within 30 days of receipt of such notice, the amount then due and owing as semiannual interest on the Loan shall be capitalized and added to the principal amount of the Loan and shall bear interest at the rate of interest set forth in *Section 2.02* hereof.

The Municipality will assure that the prime contractor obtains a signed copy of Certificate of Nonsegregated Facilities from each subcontractor prior to the award of any subcontract exceeding \$10,000, which is not exempt from the

provisions of the equal opportunity clause. The certificate signed by the prime contractor is to be kept on file with the Municipality; and certificates signed by subcontractors are to be kept on file with the prime contractor.

The Municipality hereby agrees to take affirmative steps set out in 40 CFR - 31.36(e), to contract with minority and women owned disadvantaged businesses; and ensure that its consultant(s)/contractor(s) take affirmative steps to contract with Disadvantaged Business Enterprises during all phases of work funded under this Loan Agreement. Accordingly, the Municipality should include the following prescribed information in solicitation documents: EPA Region VII Procedures for Implementation of 40 CFR 31.36 (e), the KDHE Disadvantaged Business Enterprise Information Sheet, and the Minority and Women's Enterprise Utilization Worksheet.
10. The Municipality agrees to submit to KDHE a completed EPA Form 5700-52A within 15 days after the end of each Federal fiscal quarter during which the recipient or its contractors award any subagreements to a minority or women's disadvantaged business for building and building-related services and supplies.

FORM OF OPINION OF MUNICIPALITY'S COUNSEL

[Closing Date]

Kansas Development Finance Authority
Topeka, Kansas

The Kansas Department of Health and
Environment, acting on behalf of
The State of Kansas
Topeka, Kansas

Re: Loan Agreement effective as of **DATE**, between the Kansas Department of Health and Environment ("KDHE"), acting on behalf of the State of Kansas (the "State"), and **FACILITY**, Kansas (the "Municipality")

I have acted as counsel to the Municipality in connection with the authorization, execution and delivery of the above referenced Loan Agreement (the "Loan Agreement"). In my capacity as counsel to the Municipality, I have examined original or certified copies of minutes, ordinances of the Municipality and other documents relating to the authorization of the Project, the authorization, execution and delivery of the Loan Agreement, and the establishment of a Dedicated Source of Revenue (as defined in the Loan Agreement) for repayment of the Loan evidenced by the Loan Agreement. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned thereto in the Loan Agreement.

In this connection, I have examined the following:

- (a) an executed or certified copy of the Loan Agreement;
- (b) proceedings adopted or taken by the Municipality to authorize and approve the Project to be constructed with the proceeds of the Loan evidenced by the Loan Agreement;
- (c) Ordinance No. ____ of the Municipality (the "Ordinance") adopted on _____ [Ordinance Date], and other proceedings of the Municipality taken and adopted in connection with the authorization, execution and delivery of the Loan Agreement, and the establishment of a Dedicated Source of Revenue for repayment of the Loan evidenced by the Loan Agreement; and

- (d) such other proceedings, documents and instruments as I have deemed necessary or appropriate to the rendering of the opinions expressed herein.

In this connection, I have reviewed such documents, and have made such investigations of law, as deemed relevant and necessary as the basis for the opinions hereinafter expressed.

Based upon the foregoing, it is my opinion, as of the date hereof, that:

1. The Municipality is a municipal corporation duly created, organized and existing under the laws of the State.
2. The Municipality operates a Public Water Supply System, as said term is defined in the Loan Act.
3. The Project has been duly authorized by the Municipality.
4. The Municipality has all requisite legal power and authority to, and has been duly authorized under the terms and provisions of the Ordinance to, execute and deliver, and perform its obligations under, the Loan Agreement.
5. The Loan Agreement has been duly authorized, executed and delivered by the Municipality and constitutes a valid and binding agreement of the Municipality enforceable in accordance with its terms, subject as to enforcement of remedies to any applicable bankruptcy, reorganization, insolvency, moratorium or other similar laws affecting creditors' rights heretofore or hereafter enacted, and subject further to the exercise of judicial discretion in accordance with general principles of equity. In rendering this opinion I have assumed due authorization, execution and delivery of the Loan Agreement by the State, acting by and through KDHE.
6. By adopting the Ordinance, the Municipality has duly authorized the Dedicated Source of Revenue for repayment of the Loan to be made pursuant to the Loan Agreement.
7. To the best of my knowledge, the execution and delivery of the Loan Agreement by the Municipality will not conflict with or result in a breach of any of the terms of, or constitute a default under, any ordinance, indenture, mortgage, deed of trust, lease or other agreement or instrument to which the Municipality is a party or by which it or any of its property is bound or any of the rules or regulations applicable to the Municipality or its property or of any court or other governmental body.

Very truly yours,
